Property Type: Detached House

Bedrooms: 4 | **Bathrooms:** 3

This lovely four-bedroom home, situated on Thompson Road in Tidworth, offers thoughtfully arranged accommodation with a separate living room and a kitchen/dining room spanning the rear. A utility room, downstairs WC and en suite to the principal bedroom complement the layout, alongside a separate garage.

The front door opens into a hallway, with stairs rising to the first floor and a useful storage cupboard. Positioned at the front of the house, the living room provides a welcoming setting for everyday seating and entertaining, with a window overlooking the front.

Across the rear, the kitchen/dining room brings cooking and mealtimes together in a sociable setting. The kitchen has cupboards and work surfaces arranged around the cooking area, with the sink beneath the rear-facing window. Double doors open outside, connecting the dining area with the outdoors. An adjoining utility room provides a separate space for household tasks, while a downstairs WC is accessed from the hallway.

Upstairs, the landing leads to four bedrooms and the family bathroom. The principal bedroom overlooks the rear and has its own en suite, fitted with a shower enclosure, wash basin and WC. The second bedroom is positioned at the front, while the third and fourth bedrooms offer flexibility for children, guests or those working from home. The family bathroom includes a bath with shower over, wash basin and WC.

The separate garage has a vehicle entrance and an additional side door, providing useful access and storage options.

In our opinion, this home would suit growing families and buyers seeking flexible accommodation, with four bedrooms allowing space for home working alongside everyday family life.
